

## Clyde Watermelon Fest Feedback Form

You may mail this back to the Chamber at PO Box 5 Clyde KS 66938, or drop it off at American State Bank in Clyde.

What event(s) or things that we did different would you like to see continue from 2016's Watermelon Fest?

What event(s) would you like to see change?

Would you be willing to serve on a committee to help plan Watermelon Fest and or other new events for the year? If so please leave contact information.

The Chamber is constantly looking for volunteers that are willing to help come up with new ideas to keep the community engaged as well as help make those ideas come to life. Chamber is doing all they can but can only do so much with so little man power, the events we do plan are not just for the businesses but for the community as a whole. Please help us keep our small community engaged and active!
