

# UPDATED 2012 BALL SHACK SCHEDULE

All parents are expected to work their scheduled shift. If for some reason this isn't possible they are expected to find someone to switch with or let Jessica or Amber know with ample time before hand, so that a replacement can be found. Those parents who don't work their shift, don't find replacements or let the shack girls know in advance so that the situation can be handled will just be billed the \$25/child opt out fee.
